

Renaissance Learning Center
ADOPT-A-CLASS PROGRAM 2008– 2009

Dear Parents and Community Members,

Adopt-a-Class is a phenomenal opportunity for you to become involved with Renaissance Learning Center. This program assists teachers who often have to spend their own money on educational materials for their classrooms. You now have the chance to support the teachers and the students and improve the quality of education.

Your ***tax deductible donation*** of \$100 directly benefits the class/program you adopt. The teacher will be able to purchase much needed materials to enrich the learning experience. In appreciation, your adopted class/program will have a Certificate recognizing your sponsorship hanging outside their door. Also, your name or business will be listed in the school newsletter.

We are certain that you will be pleased and rewarded by sponsoring our Adopt-A-Class Program. With your help, this Program will help safeguard the quality of education for our children... our FUTURE? Thank you for caring enough to make a difference.
